# Main Obstacles for Business Start-Ups in Luxembourg

**Nb: Survey among residents**

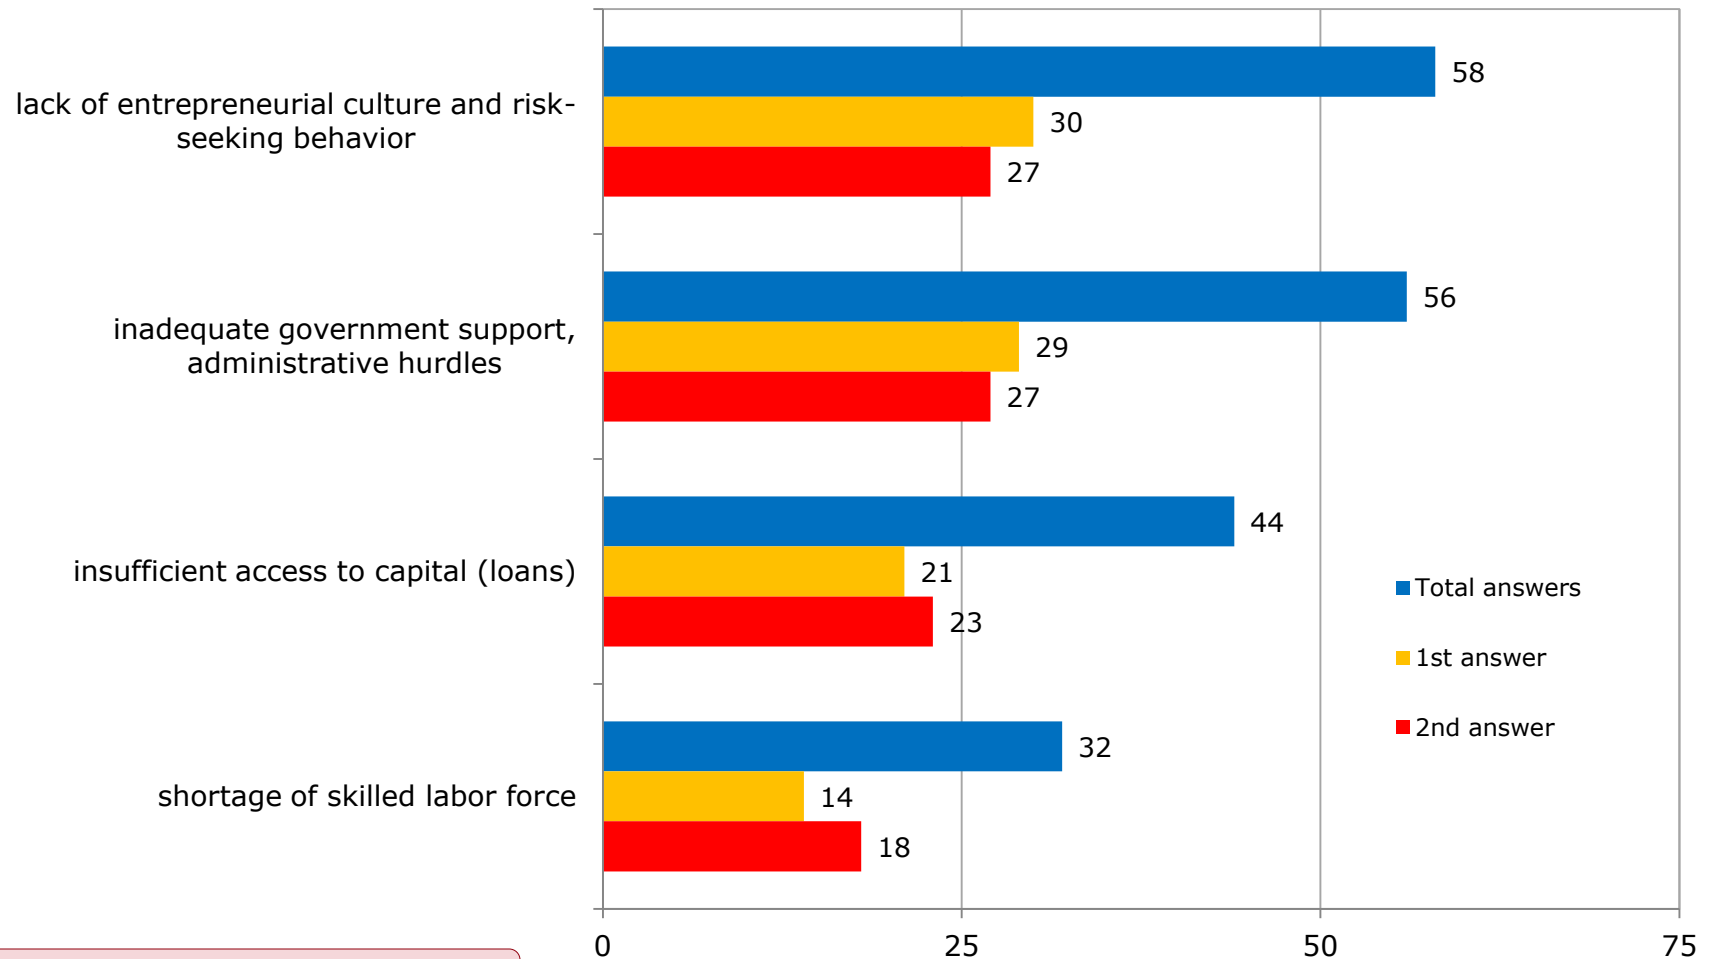

# Main Obstacles for Business Start-Ups in Luxembourg

- ✓ Residents and Cross-border workers consider the **lack of entrepreneurial culture and risk-seeking behaviour** as the main obstacle for business-start ups in Luxembourg: 1/3 as first answer and 58% of the total answers
  - ✓ Among the highly educated –university graduates- this was the most frequent answer: 46% as first answer and 71% of the total answers
- ✓ Secondly, inadequate government support and administrative hurdles as an obstacle got 28% as first answer and 53% of the total answers.
- ✓ The two first reasons are closely followed by the insufficient access to capital. A notable fact is that lower-educated residents consider the inadequate government support and administrative hurdles as the main obstacle.
